

THE ORGANIZATION

The First International Astrology Congress will take place in Maia's Fórum, over three days and will bring together more than 25 national and international astrologers a series of lectures. At the same location will be held multiple mini-courses. All presentations were subjected to a qualitative assessment by a commission. Several guest astrologers come from North America, South America, Europe and Oceania, all with accreditation and international recognition. The lectures take place simultaneously with the mini-courses, each one alluding to a specific theme in astrology, namely:

»Auditorium: Traditional and Worldly | Psychological | Historical | Philosophically | World | several

"Regulus Room: Students and General Interest

»Spica Room: Students and General Interest

At the auditorium will be held 9 lectures per day, each lasting 50 minutes. The mini-courses occur on average five times a day and will last for two hours, thus, creating an environment conducive to the diversification of contents and an opportunity to disseminate and teach the existent range present in astrology.

SUPPORTS AND DISCLOSURE

For the success of the event we, already, have the support of various national and international schools of astrology, as well as entities recognized in the business. As sponsors ensure the support of Porto Canal (TV Chanel) and the possibility of other media outlets.

Although it was not yet done any promotion we already have more than three dozen subscribers, taken in account that the enrolments will close in the 31st January 2017.

From this distance, it is possible to predict, with realism that, the coverage of Congress in the media and the involvement of entities of various types on the same, will be greatly increased with approaching of the event.
